Please be advised that the City of Ketchikan intends to review the above referenced proposals with a selection committee of four (4) representatives from the City of Ketchikan Public Works Department and City Manager's Office beginning the week of July 21, 2025. The City anticipates deliberations to extend through the week. The City reserves the right to ask questions specific to individual Firms to assist in SOQ evaluation. If the City chooses to conduct interviews, the City will notify each Firm being considered for contract award of the date, time, and virtual (e.g. Microsoft Teams, Zoom, or other) meeting credentials of their interview. Key team members must be in attendance, you are encouraged to have all key team members actively participate in your presentation and in answering questions. The City of Ketchikan reserves the right to accept or reject any or all submissions and submission of an SOQ does not obligate the organization to award a contract.

Once the committee has selected and notified the Firm who best meets the needs of the City, scope and fee negotiations will begin. If negotiations are successful, a Notice of Intent to Award will be sent to all respondents with the proposed City Council award date.

The City of Ketchikan expresses our appreciation for your proposal and hopes to see your interest extended into future projects.

Sincerely,

A handwritten signature in black ink, appearing to read 'Amanda Robinson', written in a cursive style.

Amanda Robinson, AIA  
Assistant Public Works Director
