PLEASE REVIEW AND SIGN PAGE TWO (2) TO COMPLETE APPLICATION

Permit No. _____

Requirements for Permit to Excavate

1. The Applicant is responsible for routing traffic, barriers and lights marking excavation in accordance with the latest edition of the manual on uniform traffic control devices (MUTCD), and obtaining approval of all agencies listed prior to any work requiring a street closure. A traffic plan will be prepared by the applicant and approved by the Police Department.
2. In addition to this permit, the applicant may need and is responsible for obtaining and paying for all Local, State and Federal permits and approvals. This permit does not authorize the applicant to do any work without first obtaining permits from all other governmental agencies having jurisdiction. The applicant must allow all agencies to inspect work before it is covered or backfilled. Work must meet City of Ketchikan/KPU Standards, State of Alaska Standards, or Federal Standards whichever governs. Work on Tongass Avenue is regulated by the State.
3. Any person who shall apply for a PERMIT TO EXCAVATE shall be conclusively deemed to have agreed to indemnify and hold harmless the City of Ketchikan/KPU, it's authorized agents, officers, representatives and employees from and against any and all claims, penalties, liability or loss resulting from claims or court action, whether civil, criminal or in equity, arising directly out of any act or omission of the applicant, his agents, officers, representatives or employees in carrying out any or all of the work herein above mentioned or referred to in this project.
4. The cost for relevant permits and the fines for not obtaining those permits are defined in the Ketchikan Municipal Code, the State of Alaska Codes, or Federal Codes.
5. The Applicant must get utility locates from KPU, the City, and Cable TV (not included on this permit) before commencing construction. Applicant is responsible to get utility locates even if the department did not indicate that one was needed. Utility departments must be given 48 hour notice of the required locates prior to construction.
6. Construction parking permits must be obtained for all vehicles vans, and flats parked in construction zones. Contact the Ketchikan Police Department for a permit.
7. The applicant is responsible for obtaining a Corp. of Engineers permit for the work covered. Further information can be obtained by calling 800-478-2712. Federal fines could be levied on the applicant for non-permitted work.
8. All contractors performing work under this permit must be properly licensed to do that work including all necessary State of Alaska licenses.
9. All work is to be done according to the City/KPU standard details and as directed by City/KPU personnel. City crews will correct any work not approved by the City and left uncorrected by the applicant and the applicant will be billed accordingly.
10. The applicant is responsible for any damages to utilities, streets, public or private property or otherwise caused by this work and agrees to repair said damages in full.
